Reviews

A brand new e book with a brand new standpoint. I have read through and that i am certain that i am going to gonna go through again once more in the future. Its been developed in an remarkably simple way in fact it is merely right after i finished reading through this book in which basically modified me, modify the way in my opinion.

In this case the circle is used, and the vowel-sign is placed to the other consonant-sign, just as it would be if that sign stood without the circle. The circle is then read first, though it seems to come after the vowel-sign; thus, is read eat, but if the circle is placed at the head of the long consonant, thus, f the circle reads first, and the word becomes seat. The attention of the student is specially directed to this case. IV. The fourth case is, when a vowel comes between two consonants, as in the preceding case, the last of the two consonants being s or z; thus, j pass; p boast; a moose; / roast; face. Here the circle is used, and the vowel-sign is placed after the consonant-sign; the circle then seems to come before it, but must be read last. In this, and the preceding case, the general rule for placing the vowel-signs is sacrificed to the great convenience of the circle. (62). V. The fifth case is that of the vowel coming after two consonants, of which s or z is the first; thus, p stay; snow. Here the circle is used, the vowel-sign coming after the long consonant-sign. VI The sixth case is that of a vowel following an s or z, which is the last or only consonant in a word; thus, busy; / rosy;) sea. Here the long sign must be used, for the same reason...
