O'Reilly Media, Inc, USA, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book. Free as in Freedom interweaves biographical snapshots of GNU project founder Richard Stallman with the political, social and economic history of the free software movement. It examines Stallman's unique personality and how that personality has been at turns a driving force and a drawback in terms of the movement's overall success. Free as in Freedom examines one man's 20-year attempt to codify and communicate the ethics of 1970s era hacking culture in such a way that later generations might easily share and build upon the knowledge of their computing forebears.
