More and more, we are coming to realize that, along with our bodies, we have souls -- eternal, immaterial essences that accompany us throughout life. From birth to death, while our bodies drive themselves, our minds learn and plan, and our hearts experience love, joy, pain and loss, our souls are alive too, and at work -- though the nature and scope of that work may not always be apparent. Like the flight of a divinely guided arrow, each of our lives follows its own arc, and it is up to each of us to discern its path. With thought-provoking paradigms as well as exercises and questions to lead us, Erickson offers seekers at all levels a guide to uncovering our own unique paths. Employing the methods that have proven so successful in her seminars on writing spiritual autobiographies, Carolly Erickson shows us how to take a spiritual inventory and how to recognize the often elusive tracks of the spirit as it works within us. Whether we are on a new spiritual quest or looking to deepen our faith, we will all be the richer for *Arc of the Arrow*, a catalyst for self-knowledge and for a heightened awareness of the divine within, and a practical guide to mapping the course of our spiritual lives.
