

Front Porch Politics: The Forgotten Heyday of American Activism in the 1970s and 1980s

Filesize: 1.22 MB

Reviews

The publication is straightforward in study safer to recognize. It is written in straightforward words and never hard to understand. It has been printed in an extremely straightforward way and it is just after I finished reading this book through which basically modified me, affect the way I think.

Hill and Wang, 2013. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: "Reading this book revives the spirit of civic action today for those who are unjustifiably forlorn about overcoming injustice." Ralph Nader "Carefully researched and vividly written." Booklist "A useful, vibrant account of a neglected chapter in our activist history." Bill McKibben, founder of 350.org and author of The End of Nature "In this remarkable history, Michael Stewart Foley makes the case that [the 1970s and 80s] cannot be understood in terms of a simple partisan shift from left to right, or liberal to conservative. Nor, he suggests, can these years be seen as a time of quiescence or retreat. Instead, they were characterized by an intense, angry, and impassioned style of activism on issues that spanned the political spectrum . . . Foley's book is packed with vivid accounts of the battles he covers, many of which will be unfamiliar to readers today." Dissent Magazine "In Front Porch Politics, Michael Stewart Foley illuminates an era of creative populist organizing that needs to be remembered and emulated. This is a wise and gracefully composed book and essential reading for anyone who cares about the past and future of democracy in America." Michael Kazin, author of American Dreamers: How the Left Changed a Nation and editor of Dissent "Michael Stewart Foley is one of our best historians of Americans' long experiment with democracy. In Front Porch Politics, he demolishes the myth of post-1960s political exhaustion and gives us instead a fascinating account of grassroots politics in the 1970s and 1980s, an era when millions of Americans fought for a moral capitalism and social equity." David Farber, author of The Rise and Fall of Modern American Conservatism "Michael Stewart Foley has flipped the dismal..."
