Reviews

Extremely helpful to any or all category of men and women. It really is rally exciting throgh reading time. I am just happy to let you know that this is basically the greatest pdf i have got go through in my personal existence and may be he finest book for at any time.
(Carroll Greenfelder IV)

AND I DO CALL TO WITNESS THE SELF-REPROACHING SPIRIT (PAPERBACK)

AUTUMN HILL BOOKS, 2007. Paperback. Condition: New. Volume 1. Language: English . Brand New Book. Through short, historical vignettes on spiritual teachers and brief stories, this narrative examines the Zen-like spiritual practices of Central Asian Sufism and provides a personal account of the seeker s own entry into the traditions of the Naqshbandiya of Uzbekistan. Part history, part devotional work or stranstvie (a literary, religious, and historical wandering), this book seeks to explore, preserve, validate, and through discreet segments On Listening Attentively, On Gentle Words, On Proper Posture record and ruminate on Sufi Islam as practiced in Central Asia across the centuries. The book s historical and devotional aspects are made beautiful and compelling through the seeker s poetic idiom, his own uncertainty, and his sense of unworthiness in the search for God. Core ideas of love, sacrifice, absence of self, and divine and human purposefind expression in every part of this account, attempting to strike a chord in modern or postmodern lives.
