## THE MARCO CHRONICLES: TO ROME, WITHOUT LOVE

Audible Studios on Brilliance, 2017. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. Get ready to have all your illusions of the glamorous Italian expat life shattered in this hilarious, irreverent memoir of a young American woman s romantic (or rather, unromantic) misadventures in the eternal city. Handsome, charming Roman men; perfectly made cappuccino and risotto; breathtakingly beautiful antiquities and that incomparable Italian light - none of these are perhaps quite as idyllic as they might seem to the casual traveler. With a jaded eye but an always vulnerable heart, Geoghegan gives us the anti-Eat, Pray, Love, a tale every bit as atmospheric but way funnier than the runaway best seller. This is what life in Italy really looks like when you re a 30-something woman running from grief and trying to find her way back to love. Elizabeth Geoghegan writes in English, dreams in Italian, and wishes she could remember how to speak French. She earned an MFA in fiction writing from the School of the Art Institute of Chicago and an MA in creative writing from the University of Colorado at Boulder. She is currently completing a story collection, *The Book of Boys*, and at work on a novel called *The Year of the Cock*, a black comedy set in Southeast Asia. She lives in Rome, Italy, on a dead-end street between a convent and a jail. This is a short book published by Shebooks - high quality fiction, memoir, and journalism for women, by women.
