By Unknown Author

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English Brand New Book ***** Print on Demand *****.Excerpt from The States of North Africa in the 1970 s: Joint Hearings Before the Subcommittee on Africa and the Subcommittee of the Near East of the Committee on Foreign Affairs House of Representatives Ninety-Second Congress North Africa is an area which should command the attention of foreign policy makers because of: (1) Its strategic geographical position, dominating the Mediterranean; (2) Its size and population - the four states of Morocco, Algeria, Tunisia, and Libya alone have an area almost equivalent to that of Europe (excluding the Soviet Union) and have a population of more than 35 million people; (3) Its essential petroleum and other mineral resources; and (4) Its links with Europe, Africa, and the Middle East. North Africa, the Maghrib, is part of several regional networks at the same time. Close cultural, historical, and often political ties of these Arab States with the Arab States of the Middle East must be juxtaposed with some traditional and some very recent and increasing political and economic ties with black Africa. In a third direction, the states of North Africa...
