TONE DEAF

Sky Pony Press. Hardcover. Condition: New. 256 pages. For child prodigy Ali Collins, music was life. All that changes when a brain tumor lands her in a silent nightmare, controlled by her physically abusive father and the deafness she'll never get used to. When Ali accidentally wins a backstage tour with the chart-topping band Tone Deaf, she reluctantly accepts the prize, only to be kicked out. Jace Beckett, the lead singer of the pop-punk band, refuses to even speak to...

Here is the finest publication we have read right up until now. It is actually written in easy words instead of difficult to understand. It has been written in a remarkably easy way in fact it is only right after I finished reading this book in which basically changed me, modified the way I really believe.
