Valley Publishing. Paperback. Condition: New. 130 pages. Dimensions: 8.4in. x 5.4in. x 0.5in. In our current economic conditions, job hunters are struggling to attain the perfect job. The Internet has made job hunting easier, but has made getting the job actually harder. Its so easy to apply for jobs today that employers are overwhelmed, often receiving thousands of applications per job opening. Somehow, you have to make sure your application rises to the top of this pile. How Through your rsum - its the single most powerful marketing tool you have to showcase your skills and accomplishments. Thats what this book is all about. It shows you how to create the best rsum for you and the job you are applying for. There are chapters on the different rsum formats and how to choose the appropriate one for your situation. Theres a chapter showing you what belongs in each section of the resume and theres even a chapter on how to showcase your skills in the most powerful way. There is a section on mistakes to avoid and tips for dealing with any problematic areas. Underqualified Overqualified Each of these issues and many more are addressed in this book, as is a rarely discussed security issue from posting your resume all over the Internet. There is also a chapter on the power of words that will help you to maximize your writing to make your rsum the most powerful selling tool possible. Even better all this information is presented in a straightforward style that makes this book easy to read and the instructions even easier to follow. Isnt it time you seek out the next step in your life This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
