Hatje Cantz Verlag Gmbh Jun 2014, 2014. Buch. Condition: Neu. Neuware - Der Multimediakünstler Anthony James (geb. 1974) arbeitet mit schwerem Gerät. Mit der Kettensäge zerteilt er Birkenstämme, um sie anschließend in verspiegelten Vitrinen zu arrangieren. Ungerührt opfert er den eigenen Ferrari 355 Spider, setzt die Nobelkarosse in Flammen und stellt das ausgebrannte Wrack ebenfalls hinter Glas zur Schau und neben einen seiner Birkenhaine. In der russischen Folklore symbolisiert dieser Baum junge Mädchen. Aber hat es notgedrungen einen Unfall zur Folge, wenn weibliches und männliches Prinzip ungebremst aufeinandertreffen Die erste Monografie zu Anthony James bietet neben einer Werkübersicht eine Reihe unangepasster Essays zur Arbeit des Künstlers aus der Feder ähnlich unbequemer Geister: So gibt die Modelegende Glenn O Brien eine scharfsinnige Interpretation und der Schweizer Autor Christian Kracht liefert gewohnt Bissiges. Ein Interview mit dem wissenschaftskritischen Biologen Rupert Sheldrake, dessen viel beachtete Theorie der morphischen Felder dem Buch seinen Titel gibt, rundet den Band ab. The multimedia artist Anthony James (Born 1974) likes to work with heavy equipment. He uses a chain saw to cut birch trunks, arranging them afterwards in glass boxes with mirrors. He unblinkingly sacrifices his beloved Ferrari 355 Spider, setting the luxury car on fire and putting the gutted wreck on display behind glass next to one of his birch groves. In Russian folklore, the birch symbolizes young women. But does an accident inevitably have to occur when the female and the male principles meet with such unbridled force Alongside an overview of his oeuvre, this first monograph on Anthony James includes a number of nonconformist essays on the artist s work by similarly rebellious authors: the fashion legend Glenn O Brien provides a sharp-witted interpretation, and the Swiss writer Christian Kracht contributes his usual keen observations, an interview with Rupert Sheldrake, a biologist who has...
