AFTER TRELAWNY, a contemporary, historical novel, weaves together a 19th century story about writer Edward Trelawny, friend of the Shelleys and Byron, with a 21st century romance about the redemptive power of love. Both centuries are linked by a huge cave on Mount Parnassus, Greece, a wild place. Nell, a scenery painter in London today, heard about the cave from her grandmother, Molly who brought her up. Trelawny lived there for a year in the 1820s with his twelve-year-old Greek bride. They had two daughters, Zella and her baby sister, who come into the modern story as ghosts of the cave, sharing tales about their fathers exploits, the tragedy of the babys death. Nell lands a movie job in Athens researching Trelawnys time on Mount Parnassus. Recovering from a recent break up and consequent abortion, Nell is happy to be back in her grandfathers country sketching buildings from Trelawnys day. She worries about Molly, her grandmother, alone in London - her habit of picking up strangers. Shes not interested in Trelawnys fearful exploits told to her as a child in bedtime stories, but in his daughter, Zella, her old imaginary playmate. One night in her hotel, she hears a voice is it Zellas some story about a baby. Nell meets students, Maeve and Jeremy, from The British School; meets her cousin who recommends a private library stashed with nineteenth century diaries. There Nell finds tiny bones, wrapped in a sampler, and wonders whose they can be. She shows the sampler to Maeve who translates from the ancient Greek: wept, unburied, curse. We cut between Zellas stories about her father, her child mother and her baby sisters ghastly death; to Molly...
