Enrealment Press, Canada, 2017. Paperback. Condition: New. Language: English . Brand New Book. In this higher consciousness love story, author Jeff Brown introduces the concept of uncommon bonds through the profound connection between Sarah and Lowen- two soul-mates who have found their way to one another yet again. In this remarkably engaging story, we walk beside the lovers as they touch the divine and then struggle to ground their love in daily life. From the heights of sacred sexuality to the depths of human foible, they ultimately have to choose- die to this love, or shrink back to mediocrity, open to the next portal of possibility or postpone it until the next lifetime. Shaped and reshaped in love s cosmic kiln, Sarah and Lowen become a symbol of our own longing for wholeness in the presence of another. This book is not a regular love story. It is not like anything written before. It is more of a sacred text- one that people will turn to for years to contemplate, discuss and understand the ecstasies and challenges of love. In a world that yearns for deep soul connection, An Uncommon Bond provides a blueprint of possibility for all of us- reminding us of the luminous nature of great love, and showing us the opportunities for expansion that live at its heart. The path of the beloved is no easy walk, but the fruits of our labor are ripe with blessings.
