## WHAT IS LOVE? (PAPERBACK)

Createspace, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.For centuries it has been called the most powerful force in the universe. Poets, storytellers, songwriters, statesmen, philosophers-it is the one topic on which there is more agreement than any other. It is apparent in all facets of life, can be given and received freely, and there is no money necessary to produce it. Yet for some reason it is often hard to find, getting lost in the shuffle of short-sightedness, pettiness, thoughtlessness, or worse still: meanness. Yet by consciously cultivating it, all of these are washed away. The magical potion in question? Love. Illustrating the love of God using scriptures and stories from the Bible as well as psychology, metaphor, poetry, and more, Ket Keodara s debut is a step-by-step guide outlining the very nature of love and how to apply it to your relationships. But it is so much more than that. Rather than limiting itself to a relationship self-help handbook, it further demonstrates how you can use love to overcome obstacles, trials, and hardships in life by viewing it from multiple perspectives. It will teach you how to recognize what love is, how to use it to repair and restore relationships, develop and deepen love, and enhance and advance in love. In following these simple lessons, you will learn how to develop love to build inner strength and character in all facets of your life, harnessing its power to improve not only your life but your world as well. The perfect primer for anyone who has experienced broken relationships and wants to know both what love truly is and how it can change their life for the better, Keodara s simple yet profound guidebook is as easy to understand as it is...
