Reviews

Undoubtedly, this is the best work by any author. It is really simplified but shocks within the 50 % in the publication. Its been written in an extremely straightforward way and is particularly just following i finished reading this publication by which basically altered me, modify the way in my opinion.

Headline Publishing Group. Paperback. Book Condition: new. BRAND NEW, Oxford Knot, Veronica Stallwood, Novelist Kate Ivory is used to receiving letters, each week, from her readers. But when she receives a package containing a gold knot-ring, with no explanatory note, she is more than a little bemused. A phone call from her publicist, however, soon banishes any worries to the back of Kate's mind, as she prepares to embark on a bookshop tour to promote her new novel. Joining Kate on the tour is Devlin Hayle, author of a series of romantic bodice-rippers and bearer of the title 'The Man Who Understands A Woman's Heart'. But her companion seems to have a talent for producing mayhem wherever he goes. It soon becomes clear that Devlin has a hidden agenda for the tour, and Kate herself seems to be developing a habit of attracting the wrong sort of people.
