A hospital administrator and practitioner who participated firsthand in laying the foundation for today's collapsing health care system. A practitioner who then went on to make radical changes in the way he practiced his profession and his philosophy of health care delivery. A practitioner who is now hell-bent on making radical changes in this disastrous health care system he helped to create 30 years ago. This book is an insider's look at the sequence of events and decisions that led to the demise of our health care system. This book is designed to educate you to:
