Createspace Independent Publishing Platform, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Kidnapped by a vampire, epically farted on by a pug and dragged through the pits of Hell. Welcome to Eve Eden's world in the small and strange town of Twin Forest. Eve has goals. She has dreams and ambitions that don't involve staying in this weird, podunk town. When supernatural forces collide and drop her into the heart of England, she's not exactly pleased. When Eve said she wanted to get the heck out of dodge, she didn't mean getting transported into a torture chamber inside the dungeon of an actual castle. Damned souls rising from the depths of Hell. Her body's sudden ability to heal quickly from wounds. Resisting her inexplicable attraction to a vampire who's been sent to kill her. Can life get any worse for Eve? Apparently it can, because just around the corner at Twin Forest's cemetery. waits the zombie horde.
