Forgotten Books, 2018. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Excerpt from Notes to Accompany Keeler's Map of the U. S. Territory, From the Mississippi River to the Pacific Ocean: Containing Authentic Information Connected With the Territories, and the Different Railroad Routes to the Pacific Ocean It shows the township and range lines of all public land surveys up to date; the Indian reservations, forts, military posts, etc. To all who own or deal in western lands this is a most valuable feature. The location of all the known mines of gold, silver, copper, and other valuable metals is carefully and accurately noted. These mineral localities are scattered all over that immense region, from the line of the British Possessions on the north to Mexico on the south, and from the eastern slope of the Rocky mountain range almost to the shores of the Pacific. Of the ultimate value of these widely extended depositories of the precious metals no estimate can be made; but that they are destined to exert a mighty influence upon our country and upon the entire world, as indeed they have already done, is beyond question....
