The publication is straightforward in study better to fully grasp. It is definitely simplistic but excitement inside the 50 percent of your publication. It is extremely difficult to leave it before concluding, once you begin to read the book.

Kiana, the Warrior Princess, is a delightful and compassionate young lady who takes her responsibility of keeping her small village of Feliz safe and free from any Negative Nellies very seriously. Her gift of having an open heart allows her to communicate with and recruit the help of the animals that live nearby. Oscar, the Ostrich, among other dedicated animal friends, helps Kiana through a difficult time by coaching her to see her problem from a different perspective. The teamwork, friendship and positive influence of her teammates and friends allow her to regain joy, renewed purpose, motivation in all that she does and makes everything possible. As an athlete, educator and coach, Kris Ayers understands and empathizes with the internal and external challenges that often accompany young people. Warrior Princess was inspired by the 2013 Colorado high school girls cross country team she helped coach. This story is about them, and their journey. Whether we participate in individual sports or not, there is ALWAYS a team implication of each individuals performance. What you say, think andor do MATTERS.
