Punitive Damages in Financial Injury Jury Verdicts: Executive Summary (Paperback)

By Nicholas M. Pace, Erik Moller, Stephen J. Carroll

RAND, United States, 1997. Paperback. Condition: New. Language: English . Brand New Book. This report provides the technical details of an Institute for Civil Justice analysis of trends and patterns in punitive damage awards in financial injury cases in selected jurisdictions during the period 1985 through 1994. The jurisdictions include all state trial courts of general jurisdiction in the states of California and New York; Cook County, Illinois (Chicago); the St. Louis, Missouri, metropolitan area; and Harris County, Texas (Houston). These data are supplemented by information obtained from the Administrative Office of the Alabama Courts for verdicts reached in that state's trial courts of general jurisdiction during the period 1992 to 1997. The study also estimates what percentage of the financial injury punitive awards in the database would have been affected by caps of various sizes and how the caps would have affected the total amount of punitive damages awarded in such cases.

Reviews

The best publication i actually study. I actually have study and so i am confident that i am going to likely to study once more yet again later on. You will not sense monotony at at any moment of your respective time (that's what catalogs are for relating to if you ask me).

-- **Ernest Berghaum**

These types of publication is the best book available. it absolutely was writtern very completely and helpful. I am very happy to explain how here is the greatest book we have study within my individual existence and can be he greatest publication for possibly.

-- **Lucas Brown**
