Missing How could that be Where were her parents In The Broken Line, Elaine steps into Kash Bennett and Leslie Scotts world of mystery and intrigue while retracing their steps and realizing that much of the existence she enjoyed as a child was a cover for a double life. Not unlike Alice falling through the proverbial rabbit hole where nothing is as it seems, Elaine realizes that her parents disappearance might be far more than a tragic accident and her own life may be more complicated than she ever thought possible; especially when she learns her soon-to-be ex-husband, Jack Phillips is in the family business as well. Combining the journals she finds in her parents attic, Elaine follows the clues from as far back as 1947 China to the present day in trying to locate her folks.
