A composite of several historic battles, this book takes readers inside the walls of a besieged community and also behind the battle lines with the attackers. Readers will march with the advancing army and learn the logistics of keeping it fed. They will join the townspeople in preparing the defence, even demolishing some of their own buildings to deter the enemy. And they will witness the need for patience as much as power, since victory often depended on outlasting the enemy against disease and starvation.
