

America s Blessings: How Religion Benefits Everyone, Including Atheists (Paperback)

Filesize: 7.16 MB

Reviews

It becomes an awesome publication that I actually have actually read. It really is written in simple terms and not difficult to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Templeton Foundation Press,U.S., United States, 2013. Paperback. Condition: New. Language: English . Brand New Book. A few years ago, a debate between atheists and religious believers spilled out from the halls of academia and the pews of America s churches and into the public spotlight. A crop of atheist manifestos led the charge, surmounting and holding the tops of the nonfiction bestseller lists. This offensive brought on an outpouring of religious rebuttals. As both sides exchanged spirited volleys, accusations were leveled; myths, stereotypes, and strawmen arguments were perpetuated; and bitter hostility filled the air. Today many of these misconceptions and myths linger on, along with the generally acrimonious spirit of the debate.In America s Blessings, distinguished researcher Rodney Stark seeks to clear the air of this hostility and debunk many of the debate s most widely perpetuated misconceptions by drawing from an expansive pool of sociological findings. Looking at the measurable effects of religious faith and practice on American society, Stark rises above the fray and focuses exclusively on facts. His findings may surprise many, atheists and believers alike.Starting with a historical overview, Stark traces America s religious roots from the founding of the country up through the present day, showing that religiosity in America has never been consistent, static, or monolithic. Interestingly, he finds that religious practice is now more prevalent than ever in America, despite any claims to the contrary. From here, Stark devotes whole chapters to unpacking the latest research on how religion affects different facets of modern American life, including crime, family life, sexuality, mental and physical health, sophistication, charity, and overall prosperity. The cumulative effect is that when translated into comparisons with western European nations, the United States comes out on top again and again. Thanks in no small part to America s rich religious...
