the Role of Regional Political Parties In Indian Coalition Politics A Case Study of Tamil Nadu

By Mouneshwara S.

2015. Hardcover. Book Condition: New. 227 About the book:- In India the coalition governments have mainly been the result of multi-party system. As sometimes, a single political party was able to muster clear-cut majority in the Legislative Assembly, the parties were obliged to seek support and cooperation of other groups to form the government. Sometimes coalitions are also formed before the elections and a number of political parties chalk out an agreed programme and contest elections on the basis of the programme from a common platform. India has had the experience of coalition governments in the State as well as the Centre in recent times. As the author analyses the coalitions in India he has to keep in mind the background of various experiments of coalitions of different parts. The present volume admirably addresses the issues which are of considerable contemporary relevance. As we have seen the emergence of regional political parties because the regional political leaders wanted to assert their importance and the feeling of regionalism has been very strong in India and has manifested itself in the shape of demand for a separated state, inter-state disputes and sometimes even succession from the union. The regional feelings of regionalism...
