Reviews

This written book is excellent. It really is rally fascinating throgh studying period. You are going to like the way the writer write this publication.

(Hadley Ullrich)

WALKING'S NEW MOVEMENT

Triarchy Press. Paperback. Book Condition: new. BRAND NEW, Walking's New Movement, Phil Smith, Among other things, Phil Smith proposes: * An unravelling of psychogeography from its early roots, assessing its contribution to the state of the walking arts, and looking forwards/around to what might come next. * a partial mapping of the 'evolution' of walking that looks at 'stages' in that evolution. * a helicopter view that allows walking artist/practitioners to place themselves in historical and artistic context. * important new ideas about abusive semi-public spaces (in the wake of scandals in the UK and elsewhere involving public figures, the church and others) - suggesting how radical walking can act against 'the spectacle' and power. * a compelling theory about romanticism and the postmodern in relation to walking. * a World Brain for walking.# * strategies, tactics and a full manifesto for Radical Walking.
