Experience a week in the life of Frankie Chinellas. Frankie is a conflicted Mexican-American professor struggling to find love and stability in his life. He is living in the decade of the 80 s at a time of decadence and in the midst of the AIDs epidemic. Frankie had to maneuver between two cultures leaving him confused and sometimes bitter. In his attempts to find love his destructive sexual behavior verges on the edge of tragedy. He believes that by his strength and idealism he can save the world. Now he finds his destiny and fate in the hands of a runaway boat in an endless ocean. Does he or doesn t he find his way through life. His fate is left in the hands of the reader. We can be judge, jury and executioners.
