Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Large Print. Language: English . Brand New Book ***** Print on Demand *****.Little Book of Memories, Vol. 1 is all about family, and focuses on traditional family values that tend to get lost in today's hectic world. From Night Train to My Neighbor's Tree, Roses for Sarah and Broken Kitty-all four stories are based upon the author's life that was filled with people who had a clear understanding of right and wrong, of life and love-who knew the true meaning of family, and that family is anyone you care about who cares about you. Life comes at you hard and fast-and lessons come with them. Some are remembered with tears and others with smiles-but all mold and shape our lives. For a lucky few-like Lyn Murray-memories are filled with precious times that prepare you for the hardships ahead-memories of times gone by, memories of people who impacted our lives in subtle yet powerful ways-memories to help you weather any storm because they are memories that were built on a solid foundation-of Love! Lyn Murray writes for you-when she's not feeding the ducks, and having coffee with her husband.
