REBUILDING YOUR HOUSE

Xulon Press. Hardcover. Book Condition: New. Hardcover. 292 pages. Dimensions: 9.0in. x 6.0in. x 0.8in. Former Championship Bodybuilder Tells All in New Book LONGWOOD, FL From trials to triumph, one jock learned that having it all wasn't enough. A new book details the life of former championship bodybuilder Jimmy Clayton. Clayton paints the picture of a meager and handicapped beginning for himself and his family. He grew up in the Depression years, when poverty was a way of life in the South. We are drawn into a very poignant moment, back in 1949, when his mother escaped with her four boys, leaving their moonshine-selling father behind. Clayton includes those and other memorable stories of his journey from boyhood to manhood. Even though this athlete reached worldly heights, he realized all his successes only left him yearning for more. Looking back, he'd overcome the odds, but now he was on a search for the ultimate. Could he attain it? Rebuilding Your House is Clayton's inspirational story. His mission: To get others to go the distance. Real winners, he says, rebuild their inner houses themselves, inviting Christ's transforming power into their lives. In Rebuilding Your House, Looking for Love in All the Wrong Places (October, 15.99, 1-59781-680-9, 25.99, 1-59781-692-2) author Jimmy Clayton chronicles both his good years and the heart-breaking years. When someone tells you there is no hope, do not believe that person, Clayton says. When my brothers and I lived in Georgia, no one thought we would ever amount to anything. God proved them wrong. Follow his family in their journeys from Georgia, to Ohio, to Tennessee, to the Midwest, to California. The author nostalgically recounts one after another of his personal stories, including this poignant one: a black man, living in the repressive South, who risks his life to save a white...
