Excerpt from The Book of History, Vol. 17: The World s Greatest War It is perhaps, not an exaggeration to say that the two years following the outbreak of the Great War, brought about more fundamental and farreaching changes in the economic and social conditions in the United States than had been witnessed in the fifty years which had preceded the war. The foreign trade was at first disrupted and then completely recast; the revenue system was reorganized - government receipts and expenditures were no longer expressed in millions but in billions; government control of private business was indulged in on an unheard of scale; semi-socialistic measures, which would not have been dreamt of a decade before, were accepted without protest; new industries grew up like mushrooms in the night, money flowed into the country in unprecedented amounts. The nation changed from a debtor to a creditor country. Underlying all of these tremendous changes there was going on a fundamental recasting of the relations between capital..
