By associating a word with an object, a child learns to read. In this book, students can associate words of songs with notes in musical phrases. -Offers a unique, simple and graded solution. It works with a young child's natural learning processes. -Pieces contained in this book initially allow the student to focus on developing one fine motor skill at a time in the context of fun, educational and engaging pieces. -Young students will be able to play guitar and read music quickly and easily. -Comes with teaching hints, revision flash cards...
