

## Times New Roman: How We Quit Our Jobs, Gave Away Our Stuff Moved to Italy

By Martha Miller

NJM Press. Paperback. Condition: New. 202 pages. Dimensions: 8.0in. x 5.0in. x 0.5in. Times New Roman is a true account of lifelong dreams to live abroad, experience another culture, complete an education and alter two career paths. When Martha first met John she overheard him musing about quitting his job and living in a box on a beach in Mexico. She was immediately skeptical, but secretly intrigued. Fast forward two years and they are enjoying their honeymoon in Mexico. Before marrying, they had discussed the box on the beach idea endlessly. The box was upgraded to a more stable dwelling and European countries were included in their pool of choices. They had enough money saved to bum around for a while, but then what John was 42 and Martha was 37, too old to throw caution to the wind, too young to retire. Martha wanted to live somewhere and not feel like a tourist in city after city. She wanted to know her neighbors and understand what their lives were like. They needed a plan that would allow them to experience another culture, but also prepare them for future earnings. In Times New Roman, you will learn what that plan entailed, how they...

### Reviews

*This book might be worth a study, and superior to other. It can be written in easy words and phrases and never confusing. I am just happy to inform you that here is the greatest ebook I have got read within my personal daily life and may be the best pdf for actually.*

-- Mrs. Avis Little DDS

*This is an amazing book that I actually have actually read through. I am quite late in start reading this one, but better than never. You will not truly feel monotony at anytime of the time (that's what catalogs are for concerning should you ask me).*

-- Scottie Schroeder DDS
