A Review of the Special Report of the Minister of Education on the Mechanics Institutes, Ontario (Classic Reprint) (Hardback)

By Otto Klotz

Forgotten Books, 2017. Hardback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from A Review of the Special Report of the Minister of Education on the Mechanics Institutes, Ontario The Report gives a number of proofs that the chief object for the establishment of Mechanics Institutes in this Province, and of legislative aid to the same, has been to establish Evening Classes for adults, for working mechanics, in those subjects which have most important relations to their several industries, and to provide for the special and higher wants of all different classes of artisans; that class instruction specially adapted to the wants and circumstances of working men should occupy a prominent position among the objects sought to be promoted by Mechanics Institutes; and that it is the characteristic work of Mechanics Institutes to teach the application of knowledge required in ordinary schools to the practical purposes of life, including such technical subjects as relate to the everyday pursuits of the various classes of the working population. It is held that as our public system of education improves and ramifies throughout the country, the necessity for Evening Classes for teaching adults the rudimentary branches of learning...
