Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. When you finally make the time for a vacation, you don't have the time to waste searching through websites for things to do and places to eat. You don't have the time to waste on a bad meal or an activity no one will enjoy. On your next vacation, use this guide to Puerto Vallarta, Jalisco, Mexico to help you find some spots mostly off the beaten path, spots that locals know, but are unknown to most tourists. These are activities and eateries that are well worth making the time and money for. This guide book (and others in the series) will give you some fun and economical places to visit. Many of them will be places you might have heard of, but I always try to visit the out-of-the-way and forgotten spots too. The other half of the book will focus on places to eat, mom and pop places or little dives that most tourists might skip. My top focus is on delicious eats, but ambiance will come a close second. I will also include a bit of history and some fun trivia. Hopefully, you'll find all you need to have the trip of a lifetime. If you like this volume, check out my other titles with reviews for locations all over the world. This print book makes the perfect travel companion--it's slim enough to slip inside your luggage, purse, or pocket. And, there are some extra pages at the end to record your own adventures. The Kindle version can be downloaded to your device and read on the go. Plus, it has links to the locations in the book for your convenience. All...
