CASCADE BOOKS, 2013. Hardback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Latina Evangelicas: A Theological Survey from the Margins is a constructive and postcolonial examination of the theology of Protestant Latinas who reside in the United States. Written by three Latinas who have pastored and who teach in Latina/o communities, the book seeks to expand beyond Latina feminist and mujerista voices to include those whose perspectives have not yet been heard. It thus introduces an important theological perspective to a wider audience, and provides an important resource that has been lacking for evangelicas/os and other marginalized groups who study in various theological programs. Key terminology, such as evangelica, is defined throughout, and a glossary is included for non-Spanish-speaking readers. Study questions are included at the end of each chapter. A groundbreaking book destined to shape Latina theology for years to come. Rooted in praxis and community, the authors are prompted by the transformative power of the subversive Spirit.
