Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Ladies, gentlemen, boys and girls, this is presenting to you the Mbre #1 colorbook. This is the culmination of the development of an original art form - Masquerade Art. These are 29 highly imaginative graphical depictions of Masquerades the people of Southeast Nigeria hold in utmost regard. Meticulously hand-crafted with no artificial enhancements, these unique and never-to-be-replicated images are representative of a brazen effort to unmask and demystify the spirit and soul of these mythical beings. This book therefore isn t merely a colorbook, but combines as an educational graphical encyclopedia of an underexplored cross-section of the rich African history, culture and tradition. This book is a must-have collector s item and by extension, a heirloom as well. Please offer as a gift to your family and friends and foes alike, co-workers, colleagues and fellow students and every inquisitive and curious soul you know! Send the link to all and sundry and stay tuned for many more to come!.
