

Sniper Killer: The True Story of Thomas Dillon (Paperback)

By Joanne Hiller

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Thomas Lee Dillon s story is not one of the more well-known in the history of serial killers, but it is a convoluted and sometimes bizarre tale that kept people guessing for four years during the late 1980s and early 1990s. Like many serial killers, Dillon s past was not an incredibly unique one, up until the time of his first murder. He was born in July of 1950, and lived in the town of Magnolia in Ohio. He was married, had a son, and worked at the Canton Ohio Waterworks for over a decade of his adult life. Although he was often given to flights of fancy, friends of Dillon s would never have suspected that he was the mastermind behind a series of murders that took place in Ohio over the course of four years.
