Createspace Independent Publishing Platform, 2015. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Discover How to Get the Guy You Want and Avoid Dead-End Relationships If a man doesn't take you seriously he may feel compelled to have a good time with you. Unfortunately, this good time will last until you finally realize you're being taken for a ride or until Mr. Time-Waster moves on to the woman he REALLY wants. In cases like this, what a woman really requires are two things: a healthy amount of self-respect and a set of player-proof dating rules that will allow her to make wise dating decisions as she navigates the treacherous territory of finding Mr. Right. How to Keep a Man Interested Without Playing Games or Becoming His Doormat Many dating advice books for women tout the idea that a high level of confidence is key when dealing with men. However, while this is partially true, being confident, at least in regards to making a man pursue you, is pointless without understanding how to apply that confidence in various dating situations when dealing with men. A woman's confidence is communicated to a man by what she stands for and what she doesn't. Being able to confidently socialize with men, having confident body language, and illustrating confidence in your femininity will only go so far if you still allow men to have their way with your emotions, time, affections, body, and anything else for that matter. Self-confidence makes a woman more attractive, but unless it effects how she enforces her personal boundaries it won't do anything to keep a man interested in her for the long-term. How to Date a Man to Keep Him Calling and Falling For You Women with strong personal...
