Reviews

Extremely helpful for all class of people. It is probably the most incredible ebook i actually have go through. I discovered this publication from my dad and i recommended this ebook to discover.

(Victoria Hickle PhD)

ON THE GENUS ARENARIA, LINN (CLASSIC REPRINT) (PAPERBACK)**DOWNLOAD**

Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from On the Genus Arenaria, Linn Linnaeus enumerated 25 species, of which 11 occur in the first edition of Species Plantarum. As Godron long ago pointed out, if Lychnis is to be considered as a genus distinct from Silene, then Alsine should be considered as distinct from Arenaria; as in each case a primary differential character is the number of the teeth of the capsule in relation with the number of the styles. The presence of a strophiole at the hilum of the seed is a constant character, and important enough to exclude a number of species included by some authors in Mwhringia; though this differential character is not mentioned in the Linnean diagnosis of the genus. Most of the other proposed genera frequently included under Arenaria, in its comprehensive sense, are best considered as primary subdivisions of Alsine. The genus Arenaria, in this paper, is defined more in accordance with Fenzl's circumscription of the admitted species, and as propounded by him in Endlicher's Genera Plantarum. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
