THE NEW ARAB REGIONAL ORDER: OPPORTUNITIES AND CHALLENGES FOR U.S. POLICY (PAPERBACK)

Lulu.com, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.The Middle East is facing a period of great instability and uncertainty. The region is beset with civil wars, sectarian conflicts between Sunnis and Shias, the rise of the Islamic State of Iraq and the Levant and its competition with al-Qaeda, and conflicts between countries and factions opposing and supporting the Muslim Brotherhood and like-minded Islamist groups. The question arises as to whether an Arab regional order can be found amidst these conflicts and, if so, what types of opportunities and challenges does it pose for U.S. interests and policies in the region? Middle East expert Gregory Aftandilian, the author of this monograph, argues that there is, indeed, a new Arab regional order, but it is essentially two orders: one has arisen in the wake of the tumult in the so-called Arab Spring countries, which has led to conflicts between Islamist political organizations and their opponents; the other is a result of the Houthi takeover of large parts of Yemen, which has exacerbated Sunni-Shia.
