

Sacred Rituals for Every Day (Paperback)

By Anselm Grün

Paulist Press International, U.S., United States, 2017. Paperback. Condition: New. Language: English . Brand New Book. In this concise little book, the author connects rituals with the seven days of the week. He has chosen rituals for two weeks, and invites readers to practice these rituals for one week at a time. One can also alternate the rituals or limit him/herself to the seven rituals that most appeal. The rituals will help readers to experience each day with its own special quality and to begin it in such a way that it is a blessed day and that we are embraced for God's blessing. Rituals include lighting a candle, writing a reflection and experiencing silence.
