The first murder investigation of Sheriff Jill Jordan s career might be her last. Engaged in a hard-fought election against her own chief deputy, Jill finds herself faced with the first murder in rural Cumberland, Nevada, in over a decade. The bludgeoned body of Nora Corbitt dredges up a past that more than one person in town would do anything to keep secret. Like Hal Taylor. Hal s car dealerships put Cumberland on the map. Hal s son had a history with Nora, a history that Hal paid good money to keep under wraps. Like Aaron Sanford. Aaron buddied around with Hal Taylor s son in high school. That friendship - and what happened with Nora Corbitt - ruined his life. The good old boys in Cumberland, Jill s chief deputy among them, would like nothing better than to see Jill fail. But the justice system failed Nora Corbitt once before. Jill s not about to let it happen again. Even if it s the last thing she does as sheriff.
