Killer Heat

By Linda Fairstein

Random House USA Inc, United States, 2009. Paperback. Book Condition: New. Reprint. 175 x 109 mm. Language: English . Brand New Book. It's August in New York, and the only thing that's hotter than the pavement is Manhattan D.A. Alex Cooper's personal and professional life. Just as she's claiming an especially gratifying victory in a rape case, she gets the call: the body of a young woman has been found in an abandoned building. The brutality of the murder is disturbing enough, but when a second body is found in Brooklyn, beaten and disposed of in the exact same manner, the city's top brass want the killer found fast. Relying on razor sharp instincts, a whip-smart partner, and one big break Alex races to find the killer and keep him from killing again, even if it's at her own peril. Reviews

It is one of the most popular books. I am quite late in starting to read this one, but better than never. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Unquestionably, this is actually the finest operation by any publisher. I have studied and I am also confident that I am going to plan to go through once more yet again in the foreseeable future. I realized this pdf from my mom and dad recommended this book to understand.
