

Labour Law beyond Borders: ADR and the Internationalization of Labor Dispute Settlement (the Permanent Court of Arbitration/Peace Palace Papers Volume VI) (Paperback)

By Int. Bureau of the Permanent Court of Arbitration

Kluwer Law International, Netherlands, 2003. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.This sixth volume of the Peace Palace Papers reproduces the presentations delivered at the Permanent Court of Arbitration International Law Seminar Labor Law beyond Borders: ADR and the Internationalization of Labor Disputes Settlement. Labor and employment issues at the international level often evoke heated emotions, which tend to darken the bright horizon of globalization propounded by advocates of unrestricted economic development. It is essential to find a balance between core labor rights and labor market flexibility, as both are necessary ingredients for healthy economic and social development. One important tool in promoting the amicable development of these interests is effective dispute resolution. The illustrious Seminar panelists whose papers appear here explored a range of questions vital to the current dialog on the use of alternative dispute resolution methods in international labor law. For instance, how can individuals gain access to enforcement mechanisms to vindicate their labor rights? Will several recently concluded state-to-state labor cooperation agreements make a real difference in trade and employment negotiations in those countries, or will the observance of ILO Conventions in developing countries, or should the dispute resolution...
