He offered a simple spark of poetry to his audience while promising a raging fire would burn if the poetry was nurtured correctly. However, Shelley realized that most people cannot accept the poet s offering (for various reasons; ignoring, rejecting or misunderstanding) and they let that spark smolder into nothing. Shelley shouts into his written words, leaving his hard-earned knowledge of the human condition and his visionary plight for willing human ears. Shelley paints himself as the Visionary, sound and steady within a wisdom that understands the suffering beauty of the human condition, who sits as a tranquil star to burn as heavenly light. Shelley s hope is to guide humanity through the dark night of doubt and fear towards the possibility laying dormant within being human. This volume contains the fourth volume of Shelley s complete works of both poetry and prose, with an introduction by J. M. Beach. This book contains Volume 4, Shelley s collected translations.
