Paperback. Book Condition: New. Paperback. 386 pages. Most people think the reason Dee Millings married the best looking man in the Carolinas who turned out to be a complete psycho and near-murderer is because she was raised all wrong. Dee, a 38-year-old heroine to root for, sets out on a path winding with loveable kooks, wanting to prove there is a great life on the other side of tragedy and a crazed ex behind bars who continues to mail threatening letters from prison. Her new adventure begins two years after the crime spree that nearly stopped her heart and left her flat-lining. She packs up her two young kids and settles in her parents South Carolina hometown where she deals with a delightful, but over-the-top mama who pretends her grown daughters are virgins. Dee finds new purpose for herself and her children, discovering joy in places she never expected it: in a nursing home where she tends to the likes of 104-year-old Annie Sue who still drives and has a hankering for cold draft beer. Offering heaps of comic relief, Dees Aunt Weepie lives to crash funerals just to get the covered-dish meals after the gravesides, no matter she has no idea whos in the coffins. Her antics lead her to making a daring decision that could change Dees life forever. As Dee begins a journey toward recovery and becoming a registered nurse, a dark secret resurfaces, one that if handled right, could be her ticket to allowing herself to love again. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
