DAW BOOKS, United States, 2009. Paperback. Condition: New. Language: English . Brand New Book. These ten original stories explore one of the most heatedly debated topics today. From a tale that examines whether life on Earth is an out-of-control science project, to one which reveals which species will inherit the planet, to a portrait of a scientist determined to discover the truth about God, the stories in this anthology tackle the big questions in ways that range from startling to satirical?and are always entertaining.
