

One Last Cruise a Collection of Short Stories (Paperback)

By Luke McEwen

Unchained Pen Ltd, United Kingdom, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Luke McEwen s debut publication of short stories reveals the passion, humour and anxiety in everyday life. In this collection: - A married couple in their eighties take a risk, insistent on living their lives the way they have always done. - Brighton hosts a modern take on the Greek myth of Medusa, showing the consequences of living with injustice. - A university student displays her natural gift as a listener, essential skills to achieve her ambition as a counsellor. - A small token of little monetary value takes on great symbolic importance when a daughter loses her mother. - A middle aged business man tries to repair his marriage with the same techniques he uses in the boardroom. Brian Evans-Jones - A promising start to Luke McEwen s career as an author. Heart-warming contemporary fiction with a quirky flavour. A great variety of interesting stories with some funny twists. Four of these stories have been available separately on Amazon as kindle versions. Through the Eyes of Medusa Listening to George The Thimble His and Hers Lists.
