Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. The Modern Griselda A Tale Maria Edgeworth Griselda (anglicised to Grizzel and similar forms) is a figure from certain folklores, noted for her patience and obedience. In the tale as written by Giovanni Boccaccio, Griselda marries Gualtieri, the Marquis of Saluzzo. He tests her by declaring that their first child--a daughter--must be put to death, likewise their second child--a son. Griselda obediently gives up both of them without protest, while Gualtieri secretly sends them away to Bologna to be raised rather than killed. Maria Edgeworth (1 January 1768 - 22 May 1849) was a prolific Anglo-Irish writer of adults and children s literature. She was one of the first realist writers in children s literature and was a significant figure in the evolution of the novel in Europe. She held advanced views, for a woman of her time, on estate management, politics and education, and corresponded with some of the leading literary and economic writers, including Sir Walter Scott and David Ricardo.
