## The Psychology of Special Abilities and Disabilities (Classic Reprint) (Paperback)

By Augusta F Bronner

Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from The Psychology of Special Abilities and Disabilities With the ever increasing demand in education for recognition of the individual rather than the mass, it is remarkable that no attempt has been made as yet to formulate specifically the problems of specialized abilities and disabilities. On the side of mental defect, interest is centered so largely on testing and caring for individuals of general low intelligence that the problems of narrower types of defect have been neglected and still are largely misunderstood. Some writers have touched upon related questions, mainly in referring to the fact of individual differences in mental capacities, but only general statements are to be found; nowhere else have special defects been outlined and nowhere can one find even enumeration of the types of variation that are practically important.
