

An Historical Grammar of Japanese (Classic Reprint) (Paperback)

By George Bailey Sansom

Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from An Historical Grammar of Japanese The chief object of this work is to provide material for study of the affiliations of the Japanese language, and, in so far as philological evidence is of value, for inquiry into the origins of the Japanese race but it has been so planned as to be, I hope, Of interest to students of general linguistic theory. I trust also that advanced students of Japanese, especially those who wish to read early and medieval texts, will find it useful as a work Of reference and even those who are concerned only with the modern spoken and written languages will, I believe, find many of their difficulties removed by gaining some knowledge of the development of grammatical forms and the growth of common idioms.
