Excellent e-book and useful one. It is written in straightforward phrases rather than confusing. I am just very happy to explain how here is the finest publication I have got read through in my very own lifestyle and might be the greatest book for possibly.

THERE IS NO GRAY AREA (PAPERBACK)

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.This book is another in a series of sermons. It emphasizes different comparisons of everyday life situations and gives us the tools to handle the problems they involve. The answers come straight from the Word of God using the King James Version. Sometimes we really can't see the forest for the trees. The Bible takes off our rose colored glasses and shows us in black and white what He expects us to do. God thinks in black and white, but sees in all the colors of the rainbow. We are soon coming to the end of this earth age. There is less and less time to prepare ourselves for the choices we will have to make. Hopefully, you are getting yourself prepared.
